

AreaVoices New Blog Setup

Add a New Site

- In the [network admin dashboard](#): Sites → Add New

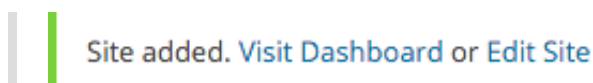

- Fill in the **Site Address**, **Site Title** and **Admin Email**

A screenshot of the 'Add New Site' form. It has three input fields: 'Site Address' with the value 'benhanson' and a '.areavoices.com' suffix, 'Site Title' with the value 'Ben Hanson', and 'Admin Email' with the value 'areavoices@fccinteractive.com'. Below the fields is a note: 'A new user will be created if the above email address is not in the database. The username and password will be mailed to this email address.' At the bottom left is a blue 'Add Site' button.

- Admin Email: areavoices@fccinteractive.com

- Click **Add Site** to create the new site.

- Once the site has been created, click **Visit Dashboard** on the "site added" notification.
